Dear GBCC Member,

As many of you know, the Greater Bowie Chamber of Commerce (GBCC) has been working to align our operations with our members' needs. This letter is to inform you of the upcoming changes that are being made to the billing system of the GBCC.

We will continue our tiered headcount-based Membership Investment Schedule. You will find the schedule below, effective of January 1, 2018. You are welcome to contact us with any questions about how we arrived at this structure.
